Custom Album Price Sheet 2022

Wedding and event albums capture your entire day – front start to finish – and preserves it for generations to come. You select which images you want, and then let us create your story. Prices include our cost to design your album with as many revisions as is necessary. The total cost of each album is the Album Cost plus Design Fee. Once your album design is completed, you can order duplicate albums for the Album Cost only. These make great family albums for parents, grandparents or bridal party gifts.

Level 1 – Coffee Table Album – 12x12 – Coated High-Gloss, Heavy-Weight Paper

Pages	Images	Album Cost	Design Fee
30	100-125	\$350.00	\$200.00
